Packing and Shipping:

Packaging and Shipping for Ink Cleaning Solution

Our Ink Cleaning Solution comes in a sturdy plastic bottle with a secure cap to prevent leakage during shipping. The bottle is then placed in a cardboard box for added protection.

For domestic orders, we use standard shipping methods and the product will arrive within 3-5 business days. For international orders, please allow 7-10 business days for delivery.

Each bottle contains 500ml of Ink Cleaning Solution. The packaging also includes a detailed instruction manual on how to use the product effectively.

For bulk orders, we offer customized packaging options. Please contact us for more information and pricing.

Our shipping charges are based on the weight and destination of the order. Shipping costs will be calculated at checkout.

At Ink Cleaning Solution, we take great care in packaging and shipping our products to ensure they arrive safely and in perfect condition.

If you have any questions or concerns regarding your order, please don't hesitate to contact us.
