Dye Sublimation Ink - Product Overview

The Dye Sublimation Ink is a high-quality product designed specifically for use with Epson I3200 printers. This sublimation ink for Epson is perfect for achieving vibrant and long-lasting prints with excellent quality. Utilizing the latest thermal transfer printing technology, this Sublimation Thermal Ink is able to produce stunning and durable results on a variety of materials, making it an essential tool for any sublimation inkjet printer.

Key Features

Suitable Printer: This dye sublimation ink is specially formulated for use with Epson I3200 printers, ensuring compatibility and optimal printing performance.

Durability: The Dye Sublimation Ink boasts high durability, ensuring that your prints will remain vibrant and fade-resistant for a long time.

Printing: This product is designed for thermal transfer printing, which utilizes heat to transfer the ink onto the desired material, resulting in high-quality and long-lasting prints.

Quality: With a focus on producing excellent results, this Sublimation Thermal Ink is able to deliver vibrant and detailed prints with consistent quality every time.

Grade: The Dye Sublimation Ink is a top-grade product, achieving the highest standards in sublimation inkjet printing.

Why Choose Dye Sublimation Ink?

There are many reasons to choose Dye Sublimation Ink for your printing needs. Not only does it offer excellent quality and durability, but it is also specifically designed for use with Epson I3200 printers, ensuring compatibility and optimal results. With its high-grade formulation and focus on producing vibrant and long-lasting prints, this Sublimation Thermal Ink is the perfect choice for any sublimation inkjet printer.

Upgrade your printing game with Dye Sublimation Ink today and experience the difference for yourself!

Packing and Shipping:

Packaging and Shipping for Dye Sublimation Ink

Our Dye Sublimation Ink is carefully packaged and shipped to ensure its quality and integrity upon arrival. Here's what you can expect when ordering our product:

Packaging

Each bottle of Dye Sublimation Ink is securely sealed to prevent leakage during transit.

The bottles are then placed in a durable and protective packaging material to prevent damage during shipping.

For bulk orders, the ink is packaged in larger containers with the same level of care and protection.

Shipping

We offer both domestic and international shipping for our Dye Sublimation Ink. Here's how we ensure safe and timely delivery:

All orders are processed and shipped within 1-2 business days.

We use reputable shipping carriers to ensure reliable and efficient delivery.

For international orders, we carefully comply with all customs regulations to avoid any delays or issues.

With our careful packaging and reliable shipping methods, you can be confident that your Dye Sublimation Ink will arrive in perfect condition and on time. Thank you for choosing our product!
