Product Description:

Product Overview: UV Printer Ink

Introduction

UV Printer ink, also known as Epson UV Printer Ink or UV Printing ink, is a type of UV-curable ink specifically designed for use in UV printers. It is a high-quality, professional-grade ink that offers exceptional color vibrancy, good adhesion, and scratch resistance.

Color Options

UV Printer ink is available in five different colors: BK (black), CY (cyan), MG (magenta), YL (yellow), and WH (white). These colors can be used individually or combined to create a wide range of shades and hues for your printing needs.

Application

Texture painting is the primary application for UV Printer ink. This ink is perfect for creating textured prints on a variety of surfaces, including paper, canvas, wood, metal, and plastic. It is widely used in industries such as advertising, signage, packaging, and interior design.

Capacity

UV Printer ink is available in a 1000 ml capacity, providing a large quantity of ink for your printing needs. This allows for longer printing runs and reduces the need for frequent ink refills, saving you time and money in the long run.

Compatibility

UV Printer ink is specially formulated to be compatible with Ricoh G5i UV printers. This ensures optimal performance and reliable results when using this ink with your printer.

Features

Vivid Colors: UV Printer ink produces vibrant, eye-catching colors that can make your prints stand out.

Good Adhesion: This ink has excellent adhesion properties, ensuring that your prints adhere to the printing surface without any issues.

Scratch Resistant: UV Printer ink is resistant to scratches, making it suitable for use in high-traffic areas or on items that may be handled frequently.

Conclusion

In summary, UV Printer ink is a high-quality, versatile ink that is perfect for creating textured prints with vibrant colors, good adhesion, and scratch resistance. It is compatible with Ricoh G5i UV printers and is available in a 1000 ml capacity. Choose UV Printer ink for all your UV printing needs.
