Product Description:

Whether you're working with Acrylic, Metal, Acrylic Glass, Aluminum-plastic Plate, Baking Paint, or Plating Material, this primer is perfect for your needs. Its transparent color ensures that it does not affect the final color of your project, making it perfect for those who want a clear finish.

Our Primer UV Protection product is also Cruelty-Free, which means that it has not been tested on animals. This makes it perfect for those who are environmentally conscious and want to make sure that no animals were harmed in the making of the product.

This UV Shielding Primer is perfect for those who want to protect their surfaces from the harmful effects of the sun. With its UV-resistant properties, it provides a protective barrier that shields your surfaces from the sun's harmful rays. This makes it perfect for use in outdoor projects, where surfaces are exposed to the sun for extended periods of time.

## Features:

Product Name: UV Primer

Property: 1000 MI

Formulation: Liquid

Cruelty-Free: Yes

Color: Transparent

Waterproof: Yes

Features:

UV Resistant Primer

UV Protecting Primer

UV Shielding Primer

## Technical Parameters:

Property	1000 MI
Cruelty-Free	Yes
Waterproof	Yes
Application	For Acrylic, Metal, Acrylic Glass, Aluminum-plastic Plate, Baking Paint, Plating Material
Feature	Environment Friendly

Color	Transparent
Smell	Low Odor

## Applications:

The UV Resistant Primer is designed to protect surfaces such as Acrylic, Metal, Acrylic Glass, Aluminum-plastic Plate, Baking Paint, and Plating Material. This primer is perfect for outdoor use, as it provides excellent UV protection. It can be used on various surfaces and is ideal for both indoor and outdoor application.

The Primer UV Protection is easy to apply and dries quickly, making it a convenient option for those who are short on time. It forms a strong bond with the surface, providing long-lasting protection from UV rays. This primer is perfect for anyone who wants to protect their surfaces from the harmful effects of the sun.

Whether you are a homeowner looking to protect your outdoor furniture or a commercial business owner looking to protect your signage, Tucai's UV Protecting Primer is an excellent choice. With a delivery time of only 7 days, you can have your primer delivered to your doorstep quickly and efficiently.

In conclusion, Tucai's UV Protecting Primer is a versatile and efficient product that provides excellent UV protection to different surfaces. Its affordability, quality, and ease of use make it an ideal choice for anyone looking for a primer that can withstand harsh outdoor conditions. Try it today and enjoy the peace of mind that comes with knowing your surfaces are protected.
