Each bottle of Ricoh Ink contains 1 liter of ink, providing a generous volume for printing large quantities of materials. This ink is designed for digital printing, making it ideal for creating high-resolution prints with sharp lines and vivid colors.
One of the standout features of Ricoh Ink is its low odor, making it a great choice for printing in enclosed spaces where strong odors can be a concern. This makes it a popular choice among artists, designers, and photographers who need to print in their studios or homes.
In addition to its low odor, Ricoh Ink is also designed to be compatible with a range of printheads, including those from Ricoh, Seiko, and Konica. This makes it a versatile choice for a variety of printing applications, whether you're printing promotional materials, signs and banners, or fine art prints.
If you're looking for a high-quality ink that delivers stunning prints with vivid colors and sharp lines, Ricoh Ink is an excellent choice. Its low odor, compatibility with a range of printheads, and large volume make it a popular choice among artists, designers, and photographers who demand the best from their printing materials.
